

# Doxology [A-C#]

[Encounter Worship]

## Verse 1:

**A**  
Praise God from whom all blessings flow  
**A**  
praise Him all creatures here below  
**A**  
praise Him above yea, heavenly host  
**A**                  **bm**                  **E**                  **A**  
praise Father, Son and Holy Ghost

## Verse 1:

**A**                                  **D**    **E**                  **A**  
Praise God from whom all blessings flow  
**A**                                  **D**                  **E**  
praise Him all creatures here below  
**E**                                  **D**    **E**    **A**  
praise Him above yea, heavenly host  
**Bm**                                  **E**                  **A**  
praise Father, Son and Holy Ghost (Repeat verse 1x)

(key change to B)

## Verse 2:

**B**                                  **E**                  **F#**    **B**  
I praise you for your love for me  
**B**                                  **E**                  **F#**  
because of you my heart can sing  
**F#**                                  **E**    **F#**    **G#m**  
my sin is paid cause I believe  
**B**                                  **C#m**    **F#**                  **B**  
the cross of Jesus set me free

(Key Change to C#)

## Verse 3:

**C#**                                  **F#**                  **G#**    **C#**  
Shout with your voice and lift His Name  
**C#**                                  **F#**                  **G#**  
exalt the Lord and give Him praise  
**G#**                                  **F#**                  **G#**    **A#m**  
God is alive, and death is slain  
**C#**                                  **D#m**    **G#**                  **C#**  
the tomb is empty, I am saved

## Bridge:

**F#**                                  **C#**                                  **A#m**                                  **G#**  
all the glory, all the honor, all the power to God most high  
**F#**                                  **C#**                                  **A#m**  
For all your goodness, for all your kindness, for all your  
**G#**  
blessings, I give my life                  (repeat)

## Doxology -

### Verse 4:

Break  
Anoint your saints, and give us power in faith we have but  
one desire complete your joy in us we pray  
oh Spirit, fill us with your grace

**Instrumental:** same progression as verse 4
